

## Draz's Quranic Ethics Theory: Connections to Kant's Works

Guest lecture by Prof. Dr. Karim Tahboub

11.11.2024, 6-8 pm (Berlin), in ZOOM

Prof. Dr. Karim Tahboub is a professor of mecha-  
tronics engineering at the Palestine Polytechnic  
University in Hebron, Palestine. His expertise,  
international experience and interest for philo-  
sophical and theological questions concerning  
the use of artificial intelligence make him a  
unique figure in contemporary scientific dis-  
course. In [this guest lecture](#), Prof. Dr. Tahboub  
will focus on his project of a Qur'ān-based ethi-  
cal approach towards the use of advanced tech-  
nologies such as AI.
